

C660 / S10 Cinema System

It's easy to tell when a sound system is right. You find you're inviting your friends over to hear it, and even your favorite old stuff sounds new again. A great system gives real dimension to your home.

Presenting the C660 / S10 Cinema System, a skillful assemblage of components for the digital era. It features five awesome C660 LCR ceiling speakers. Each of them has a 6½" graphite woofer articulated at 15° and paired to a 1" aluminum dome pivoting tweeter. So, you get superb power handling and a stunning 5.1 channel presentation.

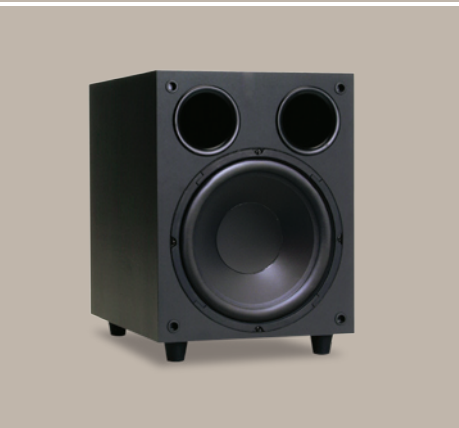

The S10 powered sub is the bedrock of this beautiful system. A 150 watt design with 10" woofer, adjustable crossover and anti-clipping circuitry, it makes every performance more realistic . . . more memorable . . . and more fun.

Listen to the C660 / S10 Cinema System. And get ready to party.

Quality-built, of course. Exactly what you'd expect from a premium brand like Proficient.
